PROPERTIES

# Where *sophisticated architecture* meets *waterfront living*.

Sunshine Bay's innovative design, combined with stunning sea views, brings a naturalistic environment to life.

The curves of the architecture blend harmoniously with the coastal landscape, creating an inspiring haven of waterfront living.

Endless horizons,
crafting *everlasting memories*.

# Blending *residential opulence* with *nature's tranquil energy*.

Sunshine Bay provides its residents with captivating sea views, an array of premium amenities, only a 15 minute walk from the Wynn Resort.

The elegant silhouette of the building is inspired by oceanic and nautical imagery.

# A leisurely getaway, where sparkling waters enhance the sense of luxury.

Al Marjan Island, a stunning 62-hectare archipelago off the northwestern coastline of Ras Al Khaimah, offers a premier destination for coastal living.

With its prime position, just one hour from Dubai, it stands as a beacon of luxurious waterfront experiences in a rapidly growing region.

This idyllic enclave promises a unique blend of natural beauty and refined luxury, setting the stage for a lifestyle of unparalleled relaxation and comfort.

# A prime location for *unrivalled convenience and luxury.*

Sunshine Bay is perfectly situated on Al Marjan Island's central islet along the picturesque northwestern coastline of Ras Al Khaimah. With stunning sea views and direct waterfront access, Sunshine Bay offers a luxurious living experience just a **15 minute walk from the future Wynn Resort**, making it a hub of excitement and leisure.

Surrounded by world-class resorts, luxury residences, and Al Hamra Mall, Sunshine Bay epitomises sophisticated island living. Enjoy breathtaking sunsets over the Persian Gulf while being less than an hour away from Dubai International Airport, ensuring seamless global connectivity.

# Wynn Resort
# Ras Al Khaimah

The upcoming Wynn Resort Ras Al Khaimah is set to transform the Emirate into a world-class luxury destination.

Set to open soon, this multi-billion resort will feature around 1,500 hotel rooms, high-end shopping, state-of-the-art meeting facilities, plenty of fine dining establishments, and the first gaming casino in the region.

The Wynn Resort is expected to boost tourism, create jobs, stimulate economic growth, and attract an influx of high-net-worth individuals from around the globe, making Ras Al Khaimah an appealing location for real estate investors seeking profitable returns.

Ras Al Khaimah's strategic location and excellent living value continue to attract foreign investors, offering Sunshine Bay residents an exclusive retreat in a vibrant and thriving setting.

From the moment of arrival, a majestic ambience enfolds, where modern fixtures and contemporary design seamlessly blend with natural elements.

Every detail of the building's dynamically designed entrance provides a unique experience of refined luxury and tranquility.

# Retreat into a realm of unparalleled luxury with our *exceptional amenities*.

Sunshine Bay prides itself on a wealth of exceptional amenities and world-class facilities.

At the heart of the residential oasis lies the immersive tropical haven, offering a serene escape in two lush courtyards that seamlessly blend indoor and outdoor spaces. Inspired by nature's organic beauty, these courtyards feature reflective ponds and cascading gardens extending 47 meters up, providing a peaceful retreat.

Sunshine Bay's abundant amenities foster connection and create a fulfilling journey of recreation and well-being.
