Embracing Your Passion to Stay Closer

At Meteora Developers, we share your passion for sports, music and the arts. While we have been building homes with elevated privileges, we have keenly supported these interests and contributed to making your communities more vibrant.

This has helped us bring our worlds together, stay connected and remain closer to you. While we continue to support world class sporting events, musical evenings and art exhibitions through our sub-brand 'Meteora Developers Presents', we are also equally excited to launch more homes with 'Elevated Privileges'!

It's time to step in

It takes a dynamic team with a strong vision, deep insight, and flawless execution to create a fresh, affordable, yet perfectly elegant and exclusive environment within the context of Jumeirah Village Circle.
The collaborative innovators behind the Vivanti Residences have worked in great synergy to breathe life into several exceptional properties in JVC, down to the last subtle detail.
We are also glad to announce the handover of The East Crest along with this new property launch at JVC .
